Detailed Report

With encouragement and guidance from the NAAC, Bengaluru, the Internal Quality Assurance Cell of Markanda National College Shahabad (M.) Haryana organized one-day Online National Webinar on the topic “**A Critical Evaluation of Quality Sustenance in Higher Education Institutions in Imparting Education through Virtual Mode**”.

The inaugural session of the conference was graced by **Dr. Vinita Sahu**, Assistant Advisor, NAAC, Bengaluru as Keynote Speaker. Dr. Ashok Kumar, Principal, Markanda National College presided the session. Dr. Amit Kumar, Convener of the Conference welcomed the delegates and guests. The session commenced with the lighting of lamp ceremony and Maa Saraswati Vandana. Dr. Amit Kumar appraised the gathering with the objectives of the conference and elucidated the role of NAAC in maintaining the quality standards of higher education institutions in India. Dr. Ashok Kumar, Patron and Principal, welcomed the guests and introduced the college. He asserted that to achieve excellence in higher education the stakeholders need to understand and grasp the assessment criteria set by NAAC. He also talked about the need to maintain quality in online education.

Dr. Vinita Sahu, Assistant Advisor, NAAC, Bangluru (India), Keynote Speaker, discussed the present scenario of higher education in India. She emphasized the need to introduce positive changes in all the stakeholders so that standards set by NAAC can be met. Institutions need to work on bridging the gap between reality and expectations. She highlighted the issues and challenges in Indian Higher Education institutions, Revised Assessment and Accreditation Framework, how to overcome the real life challenges related to students etc. She also discussed the process of fresh and revised Accreditation process of higher education institutions in India by

NAAC, Bengluru in detail. Dr. Jawahar Lal, delivered the vote of thanks to Keynote Speaker, all guests and delegates.

The First technical session was coordinated by Mrs. Bhavini Tejpal and Dr. Prachi Arora. Dr. Prachi Arora introduced the resource person, **Dr. Vimal Rarh, Project Head and Joint Director, Guru Angad Dev Teaching- Learning Center of MHRD, Delhi University**. She discussed about the Role of Teachers in Technology Empowered Higher Education. She precisely discussed the innovation, types of innovation, innovation through technology, pedagogy, inventions and creativity in terms of new thoughts, ideas and guiding principles in 21st century skills. She deliberated on the role of teachers in technology empowered education. She compared the ancient guru shishya prampara with the modern education system. She opined that the teachers are the torch bearers in modern education and they should be open to changes so that we can move ahead to a brighter future and contribute to the development of the nation. Teachers need to focus on 21st century skills for making students ready for job market.

Prof. Bhavini Tejpal introduced the next speaker **Prof. Rupak Chakravarty, Department of Library and Information Science, Panjab University Chandigarh**. Prof. Rupak Chakravarty touched upon various e-resources available on different platforms. He highlighted the range and advantages of using e-resources in the era of transition from print to online mode. He also talked about the open learning modes available in India which is connecting every aspirational learner from even the remotest areas of the nation.

The Technical Session II was conducted by Dr. Tarun Kansal. He introduced **Dr. Neena Seth Pajni, Principal, Gobindgarh Public College, Alour, Ludhiana Punjab** for the second technical session. Dr. Neena Seth Pajni talked about “Virtual Education: Government of India's Initiatives and Best Practices”. She inspired teachers to take up the task of developing online

content for the students and work on assimilating New Education Policy 2020 so that teachers don't lag behind anywhere. There are a lot of resources that teachers can utilize to enrich their lectures and use this transition phase of shifting to online education.

In the Second Technical Session, Oral Presentations were delivered by 20 delegates who were from different educational institutions across the country. The session was chaired by Dr. Ashok Kumar, Principal of the college.

The Valedictory session was conducted by Dr. Amit Kumar, Convener of this webinar and he introduced the Chief guest **Dr. P. Baba Gnanakumar, Director-Consultancy and Training Kristujayanti College, Bangalore** to the delegates. Chief guest Dr. P Baba Gnanakumar elaborated about the Overcoming the Challenges in online learning.

Dr. Gnanakumar delineated his wise views on the virtual education and its important role in the development of teaching learning pedagogies and poured insight into the subject of the webinar by contributing some constructive knowledgeable points. Prof. Suresh Kumar read out the detailed report of the webinar. Dr. Ajay Kumar Arora delivered the vote of thanks. In this conference, more than 130 participants joined via online mode from various institutes of India and more than 20 Research papers were presented by the delegates who expressed diverse and constructive opinions on the subject of discussion.

WEBINAR BROCHURE

ABOUT THE COLLEGE

Markanda National College, Shahabad- Markanda was established in 1971 by M.N. College Educational Society primarily to cater to the educational needs of this predominantly rural area. At that time, no college existed at Ladwa and even at Kurukshetra - the seat of Kurukshetra University, except University College, which had only brilliant urban students on its rolls. The establishment of this college proved to be a boon for this area. Ever since its inception, this college has not looked back and making significant strides, it has developed into a multifaculty institution, imparting instructions in English at Post-graduate level and in Arts, Science and Commerce Streams at under-graduate level. The college also runs successfully PG diploma in Yoga and two job-oriented add-on courses (i) Retail Management and (ii) Information and computer technology. The college is a co-educational institution affiliated to Kurukshetra University, Kurukshetra and it is proud of its imposing infrastructure and an environment conducive to learning. It has a spacious building surrounded by lush green lawns and two playgrounds. The building consists of well-maintained class rooms, well equipped labs (Physics, Chemistry, Computer and Edusat), a spacious Library, a conference room, an auditorium with three green rooms, a seminar Hall, a big canteen, modern girls' common room, besides office complex and Principal's residence. Besides traditional subjects, faculty is available for teaching Marketing as vocational subject. The college is also running NSS and NCC units successfully.

ABOUT NAAC

The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL conducts assessment and accreditation of Higher Educational Institutions (HEIs) such as colleges, universities or other recognized institutions to derive an understanding of the 'Quality Status' of the institution. NAAC evaluates the institutions for its conformance to the standards of quality in

- Research papers based on the above sub-themes of the topic are invited.
- Selected Papers will be published in conference proceedings with ISBN.
- The abstract should not exceed 200 words including the title of the paper.
- Full length papers should be between 2000-3000 words.
- Soft copy of the paper should be sent by email to iqac.events@mncs.ac.in latest by 3 May, 2022.

Note:

- Paper must be typed in 12 Font, Times New Roman with line spacing 1.5 in MS Word format. Title must be in 14 Font, Times New Roman.
- References must follow the latest APA/MLA standards.

FEEDBACK RECEIVED FROM PARTICIPANTS

S. No	Comment from Participants
1	Good organization
2	fruitful session
3	Do keep sharing information about such webinars in future also
4	Very informative sessions were conducted.
5	Please provide conference or workshop
6	Very nice
7	The webinar was on a very relevant topic
8	Wonderful session
9	wonderful session
10	Very knowledgeable and informative
11	Well managed and engaging webinar
12	Congratulations to Dr. Ajay Arora
13	Please share the ppts
14	More time to paper presenters
15	Registration fee should not be.
16	Very well organized & all sessions were very informative.
17	Excellent
18	Nicely organized
19	Online modes of education is definitely here to stay. But in rural areas the infrastructure and resources are not sufficient to provide online education effectively. We should emphasis yo bridge this gap especially for rural area institutions.
20	Quite interesting and informative session regarding online education
21	All good
22	Very useful webinar
23	Excellent
24	Very relevant seminar for today scenario
25	Challenges of NEP for BEd colleges
26	Wonderful session
27	OK
28	Nice webinar

29	Very well organized seminar
30	As a member of IQAC team of my college, the information provided was very important.
31	Provide knowledge about new resources which can be used to make effective teaching learning process
32	Very Informative Seminar
33	Some of our teachers should also work on their pronunciation
34	Good
35	Good program
36	Well managed
37	Similar kind of seminars should be organized in future also.
38	Informative session
39	Informative
40	Nice
41	Awesome
42	Very informative webinar
43	Well arranged
44	It really enhanced my knowledge
45	thanks
46	Informative
47	Nice plz share PPT
48	Excellent Webinar
49	All is good
50	Disseminate the Information on social media well before organizing date so that interested can take part
51	Great event
52	Everything was very well
