Academic and Administrative Audit for the Session 2021-22

We, the members of the academic and administrative Audit Team have conducted the Academic and Administrative Audit for the academic year 2020-21 of Markanda National College Shahabad Markanda on 08.04.2023.

The marks obtained are732..... out of 1000 i.e. 73.2 %

Few suggestions based on our observations are as follow;

1. The college should develop a mechanism for e-waste disposal.
2. A Community computer centre should be opened for the public - interest.
3. The medical facility for teaching and non-teaching staff should be provided by college through a MoU with nearby Hospital.
4. A photograph of "father of library" in library.
5. The window glass of Physics lab should be blackened for complete darkness.
6. A few more dustbins for classroom & Canteen.
7. Flex regarding prevention of ragging should be fixed at few locations in college.
8. The college should constitute the Student Council to increase the participation of students in college activities.
