THE COLLEGE

National College, Shahabad- Markanda was established in 1971 by M.N. College Educational Society solely to cater to the educational needs of this predominantly rural area. At that time, no college existed at Madwa and even at Kurukshetra - the seat of Kurukshetra University, except University College, which had only brilliant urban students on its rolls. The establishment of this college proved to be a boon for this area. Ever since its inception, this college has not looked back and making significant strides, it has developed into a multifaculty institution, imparting instructions in English at Post-graduate level and in Arts, Science and Commerce Streams at under- graduate level. The college also runs successfully PG diploma in Yoga and two job-oriented add-on courses (i) Retail Management and (ii) Information and computer technology. The college is a co- educational institution affiliated to Kurukshetra University, Kurukshetra and it is proud of its imposing infrastructure and an environment conducive to learning. It has a spacious building surrounded by lush green lawns and two playgrounds. The building consists of well-maintained class rooms, well equipped labs (Physics, Chemistry, Computer and EDUSAT), a spacious Library, a conference room, an auditorium with three green rooms, a seminar Hall, a big canteen, modern girls' common room, besides office complex and Principal's residence.
