Report: Extension Lecture on "Financial Modeling"

Date: 08th September 2018

The Department of Commerce, in collaboration with the Department of Marketing and Employment and Guidance Cell, organized an Extension Lecture on "Financial Modeling." The event featured Sh. Kapil Bhateja (C.A) from IIM, Lucknow, as the esteemed speaker. The lecture aimed to provide valuable insights into the field of financial modeling and its practical applications.

More than 35 students actively participated in the extension lecture, demonstrating their keen interest in learning about financial modeling. Sh. Kapil Bhateja's expertise and insights captivated the audience, sparking engaging discussions and queries.

The lecture covered various aspects of financial modeling, including its importance, techniques, and real-world applications. Students had the opportunity to gain a deeper understanding of financial modeling concepts and how they are implemented in different industries.

Prof. SS Kajal, Dr. Ajay Arora, and Ms. Bhavini Tejpal played instrumental roles in coordinating and facilitating the event, ensuring its smooth execution. Their guidance and support provided by the head of the institute Principal Dr Ashok Kumar ji contributed significantly to the success of the extension lecture.

Overall, the event provided students with valuable knowledge and exposure to the field of financial modeling, enriching their academic experience. The Department of Commerce extends its gratitude to all the faculty members and students who contributed to making the event a resounding success.
