

# EVALUATION OF ATTAINMENT OF COURSE OUTCOMES

## METHOD OF EVALUATION

There are two methods of assessment of the attainment COs of the programmes:

1. Direct Method

2. Indirect Method

S. No	Attainment Level	Testing Condition
1	Level 0:	Less than 40 % of the students scored more than the overall class average in the End Semester University Examination as well as Internal Assessment Marks.
2	Level 1:	40-50 % of the students scored more than the overall class average in the End Semester University Examination as well as Internal Assessment Marks.
3	Level 2:	50-60 % of the students scored more than the overall class average in the End Semester University Examination as well as Internal Assessment Marks.
4	Level 3:	60% and above of the students scored more than the overall class average in the End Semester University Examination as well as Internal Assessment Marks.

## SESSION 2018-2019

S. No	Semester	No. of students Appeared	No of students whose result is declared by university	Average Marks	No. of students who scored more than the average marks	Percentage	Level Attained
1	I	32	32	32.65	19	59	2
2	II	31	31	40.8	16	51.61	2
3	III	19	19	56.05	10	52.63	2
4	IV	19	19	39.15	10	52.63	2
5	V	24	24	54.08	13	54.16	2
6	VI	23	23	54.3	14	60.9	3

**Average Attainment Level = Sum of level attained in all semesters/ Number of Semesters = 2.16**  
**The target attainment level value is 2, the attainment level value is 2.16 in the subject of Economics.**

## SESSION 2019-2020

S. No	Semester	No. of students Appeared	No of students whose result is declared by university	Average Marks	No. of students who scored more than the average marks	Percentage	Level Attained
1	I	20	20	39.4	11	55	2
2	II	21	21	66.29	14	66.7	3
3	III	27	27	45.37	17	63	3
4	IV	27	27	69.59	15	55.6	2
5	V	18	18	71.44	11	61.1	3
6	VI	17	17	79.76	7	41.2	1

**Average Attainment Level = Sum of level attained in all semesters/ Number of Semesters = 2.33**  
**Target attainment level value is 2, attainment level value is 2.16 in the subject of Economics.**

# COURSE ATTAINMENT FOR ECONOMICS COURSES

## Session 2020-2021

S. No	Semester	No. of students Appeared	No of students whose result is declared by university	Average Marks	No. of students who scored more than the average marks	Percentage	Level Attained
1	I	25	25	82.2	18	72	3
2	II	26	26	85.12	19	73	3
3	III	17	17	82.65	12	70	3
4	IV	17	17	77.47	10	58.82	2
5	V	21	21	81.14	11	52.38	2
6	VI	25	25	76.56	16	64	3

**Average Attainment Level = Sum of level attained in all semesters/ Number of Semesters = 2.66**

**Thus the target attainment level value is attained in the subject of Economics.**

## Session 2021-2022

S. No	Semester	No. of students Appeared	No of students whose result is declared by university	Average Marks	No. of students who scored more than the average marks	Percentage	Level Attained
1	I	19	19	69.15	10	52.63	2
2	II	14	14	33.92	6	42	1
3	III	25	25	76.44	18	72	3
4	IV	22	22	41.5	11	50	2
5	V	17	17	72.11	10	55.55	2
6	VI	15	15	49.53	9	60	3

**Average Attainment Level = Sum of level attained in all semesters/ Number of Semesters = 2.16**  
**Thus the target attainment level is attained in the subject of Economics.**

## Session 2022-2023

S. No	Semester	No. of students Appeared	No of students whose result is declared by university	Average Marks	No. of students who scored more than the average marks	Percentage	Level Attained
1	I	19	19	43.57	8	42.10	1
2	II	15	15	56.8	10	66.7	3
3	III	11	11	46	7	63.6	3
4	IV	12	12	41.91	6	50.0	2
5	V	22	22	46.14	14	63.6	3
6	VI	21	21	57.43	11	52.4	2

**Average Attainment Level = Sum of level attained in all semesters/ Number of Semesters =2.33**  
**Thus the target attainment level is attained in the subject of Economics.**
